MARTY

«Le panache d'une symphonie gustative.»

VINEYARD

Soil : clay limestone and gravel. The vines have a south exposure.

Age : over 60 years old.

Density : 4400 vines per hectare.

SUSTAINABLE AGRICULTURE

Viticulture : no chemical products. Natural grass cover-cropping every row.

Pruning : Guyot double.

Green harvest : debudding, trellising, leaf thinning and bunch thinning.

Yield : 45 hl/ha.

Grape varieties : Tannat, Cabernet Franc.

Vinification :

- completely destemmed.

- alcoholic fermentation approximately 20 days at low temperatures, maximum 28°C to extract soft tannins and keep the flavours.

- color extraction by pigeage and aeration too.

Aged in barrel : on the lies 16 months in new oak.

DESCRIPTION

Eye : dark red color.

Nose : multiplications of aromas: plum, stewed black fruits ; luxury oakyness, discret mineral note.

Taste : a big concentration of aromas, sensuality in the tannins. The wine becomes velvety in mouth.

ADVICE
